## Outpatient Detox & Transitional Programs

Once a treatment program has been completed, our focus turns to relapse prevention and successful long-term support. Our team of highly skilled and caring professionals provide the necessary support to keep our clients accountable and guide them in their new lifestyle in recovery.

Miracles In Action offers outpatient detox, partial hospitalization, and intensive outpatient programs for those who are unable to complete residential treatment due to work, school, or family responsibilities. These programs are also available for those requiring a lower level of care in a treatment setting.

## Sober Living & Aftercare

Miracles In Action's sober living home offers a comfortable, serene and structured setting. Combined with our services, resources and expertise, our clients achieve the maximum benefit from their stay with us.

Come experience a new life surrounded by people who care about you, your health, and your happiness. Come experience a miracle at Miracles in Action.

Start your journey today!
